RE: Notice of Rulemaking to Amend 1 CCR 301-39 Rules for Administration of the Public School Finance Act
DATE: May 2025

Below, please find information concerning an agenda item at the board's May meeting for a notice of rulemaking for updates to 1 CCR 301-39, Rules for Administration of the **Rules for Administration of the Public School Finance Act**.

The Department has identified six areas that may warrant updates to the School Finance Rules. The proposed discussion items include:

- Proposed rules to simplify at-risk count requirements for students in schools participating in the Community Eligibility Provision (CEP)
- Incorporation of to be determined rules for suspension and restart of student-level census block data collection pursuant to HB25-1320
- Discussion of guidance and proposed rules related to private school students enrolled in public schools and submitted for funding
- Proposed rules to clarify requirements for supplemental online courses for homebound, expelled and incarcerated students
- Technical rule changes following the rule review by the Office of Legislative Legal Services
- Discussion of guidance and potential rules related to meal-times

In BoardDocs, please see a "red-lined" document showing the updated proposed amendments to these rules and a Power Point presentation discussing the proposed changes. CDE staff requests the State Board vote to approve the notice of rulemaking.
