Teaching & Learning Conditions Colorado

Educators: Your Voice Matters! Jan. 22-Feb. 21, 2020

Education Commissioner Katy Anthes and Governor Polis want to hear directly from every school-based educator in Colorado

Improvement Begins with You

Schools must have at least 50% response rate to receive their data. Reach out to your AR or Principal to receive your anonymous code.

A new decade is an opportunity to find new, exciting ways to make Colorado the best state for teachers, and the TLCC survey is one of the best channels for teachers to let us know what they need to be successful
