

# Teacher & Staff Surveys

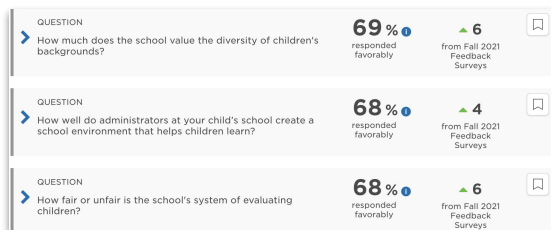

Colorado District Guidance

Continue the feedback loop with your teachers & staff

## Gather staff feedback in SY '24-25

If your district would like to continue to collect teacher and staff feedback, Panorama would be happy to support! In CDE's survey off-year, Colorado districts can choose to contract directly with Panorama to run the TLCC survey or other content within their district.

## What your district will receive

Multiple options for survey content:

- Access to the CDE's TLCC survey instrument
- Access to Panorama's research-backed survey content
- Ability to run custom content

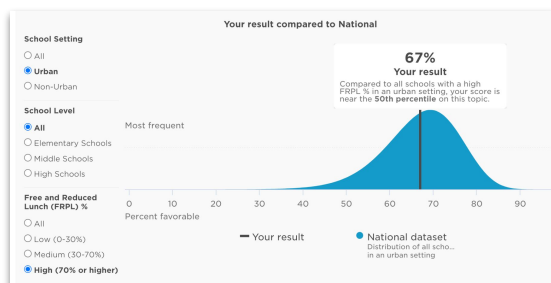

Individualized Support:

- Dedicated Panorama project team for your district
- Customization of administration method (survey emails direct to employees or open links for schools)
- Individual timeline- choose the dates that work best for your district
- Ability to run multiple surveys throughout the year
- Option to import district TLCC results from CDE platform
